Lately Publish'd,

X A Compendious or Briefe Examination of certayne ordinary
Complaints of divers of our Countrymen in these our Dayes;
which although they are in some Parte unjust and frivolous,
yet are they all, by way of Dialogue, thoroughly debated
and discussed by William Shakespeare, Gentleman. *Imprinted*
at London by Thomas Marshe, 1581. Reprinted by Charles
Marshe, 1751, 1s 6d sew'd

N. B. The above Pamphlet, upon its Republication, was given
to Shakespeare; but in a late ingenious Essay on the Learn-
ing of that Author, this Treatise is affirmed, upon the Au-
thority of Wood's *Athenæ*, to have been written by William
Stafford. The Editors are willing to join in setting the Pub-
lic right in this Matter; but it ought to be observed, that the
Piece is highly dramatic, although it may possibly contain too
much Learning to be at this Time ascribed to Shakespeare.
